

Loop.

Leave something true.

Real memories. A chosen person. A moment they control.

把真实的声音与故事，留给一个具体的人，在对方准备好时抵达。

THE QUESTION

What if a real memory could arrive when they are ready?

如果一段真实记忆，能在对方准备好时抵达？

ONE TRACEABLE JOURNEY

From a real memory to a chosen moment.

01 RECORD

LIVE DEMO · MEI → LIN

The first family recipe

A mother leaves her daughter the story behind tomato and eggs.

ORIGINAL SOURCE

Her real voice stays intact.

Source and context remain inspectable.

AI-ORGANIZED

Clearly labeled. Never invented.

Owner-reviewed · source-backed

Recipient opens by choice

Original preserved Consent required Recipient in control

WHAT LOOP PROVES

Memory stays real.
AI stays accountable.
The recipient stays in control.

真实可追溯，边界由人决定。

Software-first · relationship-scoped · hardware-neutral

Try the 2-minute experience at our booth.

Record → review boundaries → open as recipient → keep a postcard
